

## HAZARDOUS MATERIALS ACKNOWLEDGMENT FORM

I, \_\_\_\_\_ as representative of \_\_\_\_\_  
NAME COMPANY NAME

acknowledge that all hazardous materials have been properly disposed of within the Guidelines for Hazardous Materials at MMRI, the MMRI Tissue Culture and Animal Facility SOPs, MMRI Radiation Safety Manual and OSHA guidelines. I acknowledge that all of the following materials have been removed from MMRI:

1. All samples (biological, chemical, radioactive, etc.) stored in the refrigerators, freezers, laboratories and any other areas.
2. All chemicals and other hazardous materials.
3. All hazardous waste in all forms have been removed.
4. All equipment and work areas that have been used by the above company have been decontaminated.

If any of the above are found to be left behind on the premises following departure, MMRI will dispose of the items or decontaminate the areas, and invoice the cost to your company.

All borrowed MMRI property (e.g. glassware, pipettors, pumps) have been cleaned and returned to the proper location. Note that if any MMRI glassware has been broken it will need to be replaced.
